Stunning panoramic views of pastoral Goose Creek Valley and Blue Ridge Mountains from luxuriously appointed home on 127.57-acre mountain estate.

Natural light fills the open floor plan with solid maple flooring and solid wood architectural details. Three bedrooms with master suite, 3.5 baths, 2 stone fireplaces (gas logs and wood), cathedral ceiling living room, sliding barn doors, exposed beam ceilings, workout room, and private den with deck access are among this home's many features. Enjoy unobstructed sunset views through cable railings of the 900 sq. ft. deck, including a master suite balcony. Features chef's kitchen with soapstone counters, custom hickory cabinets, 2 sinks, Wolf 4-burner gas cooktop w/grill and exhaust and GE Profile appliances. A one-year home warranty will be provided to buyer. Numerous updates and custom features throughout make this home truly move-in ready.
